Session Auto-Save for Claude Code

github.com/anthropics/claude-code · #43974

by Marium Afzal · @MariumAfzal2703

- ✓ **Auto-save sessions** at project folder level — no manual ID tracking needed
- ✓ **Project history dashboard** — see all projects with last session at a glance
- ✓ **Context management** — remove old sessions to keep context clean

```
claude · bash

$ claude history
  my-website
  last session: 2 days ago
  ecommerce-app
  last session: yesterday
  portfolio-site
  last session: 1 week ago
$ claude resume my-website
  ✓ Session restored. Continuing...
```
